

IC 27-13-42

Chapter 42. Specific Reporting Requirements

IC 27-13-42-1

Allowing a health maintenance organization to report the number of children enrollees who are prescribed stimulant medication for the treatment of certain disorders

Sec. 1. A health maintenance organization that enters into an individual contract or a group contract that provides a prescription drug benefit may report to the drug utilization review board established by IC 12-15-35-19, not later than October 1 of each calendar year, the number of enrollees who are:

- (1) less than eighteen (18) years of age; and
- (2) prescribed a stimulant medication approved by the federal Food and Drug Administration for the treatment of attention deficit disorder or attention deficit hyperactivity disorder.
